SUMMARY OF 2010 FALL PROGRAMS

Developing Your Intuition Through Spirit Art & Remote Viewing - This exciting new workshop offered by **Sarah Stewart** helps participants open up their intuition through the medium of spirit art. The focus is mainly on the creation of auragraphs - a picture of the soul or a representation of the energy field. With practice auragraphs can be an enlightening and healing experience for reader and sitter alike. There will also be opportunity to work with art as a healing medium for others and for ourselves through the creation of symbolic art. No experience necessary. Art supplies are provided.

Meet Your Guide – Donna Kiss provides an opportunity to meet with your Spirit Guide on a very personal basis. She will lead a Guided Meditation so that participants can have a 'face-to-face' conversation with the Spirit who is assisting them in their earthly work. There will be plenty of time to discuss and analyze what you receive during your encounter with Spirit. Class size is limited to 8 people.

Winter Social – Munchies, Messages and Music – Everyone is invited to join Mary Grace Nelson an evening of merry making. It will be a 70's theme, so dress up in period clothing. Bring your favorite supper dish or a dessert for the Pot Luck Supper. Dinner is followed by messages with the church mediums and an evening of musical entertainment.

Love & Creating Your Future - The discovery of who we are and how we have created our present reality is dependent on our consciousness. All the "WORK" **Hank Baker** does is geared to providing the person with tools that work in self discovery and changing ones thinking processes so as to create a better future. Hank uses **NLP (Neuro Linguistic Programming), EFT (Emotional Freedom Techniques), The Sedona Method** and **Time Line Therapy** as tools to change negative experiences that prevent the ideal future from happening. Included in the cost are a manual, CD's with information on NLP, EFT and The Sedona Method. Hank provides one follow up counseling session. Class size is limited to 12.

Mini Readings – The church is planning to hold Mini-Readings as a **Fund Raiser**. Refreshments will be served upstairs in the sanctuary while the Church platform mediums and developing mediums are giving mini-readings downstairs. Come and support this spring fund raiser.

Orientation Course On Modern Spiritualism – Rev. Ella Groves will be teaching a weekend program that covers an overview of the Religion, Science and Philosophy of Spiritualism. The orientation program is a requirement for those wishing to apply for church membership, but everyone is welcome to attend. There is no charge for this program.

Aura Reading and Energy Manipulation Workshop – The aura reflects everything in the emotional, physical and psychic energy field. The course that is offered by **Donna Kiss** includes learning about the meaning of the different auric colors, how to energize your own aura for health and relaxation, and how to read your own aura and the auras of other people. A manual is included in the cost. Class size is limited to 9 people.

Libby Clark Profile - Libby Clark was aware of spirit as a small child. She first attended a Spiritualist church at the age of sixteen. Eighteen months later, she took her first Spiritualist church service and has never looked back. Libby is a high profile medium within the Spiritualist movement and has traveled the width and breath of the UK serving Spiritualist churches and organizations doing services, demonstrations of mediumship, healings, workshops and seminars and giving private readings. More recently, she has been traveling to many European countries and overseas to the USA teaching a range of subjects on mediumship, meditation, healing, trance, awareness and sensitivity. It will be a privilege to have Libby Clark visiting the CFSC in the spring of 2010.

Introduction to Mediumship – **Donna Kiss** will be teaching a weekend intensive course on beginning mediumship. Participants will have an opportunity to explore their psychic abilities and prepare for communication with Spirit. This is the first step in developing your potential as a medium or discovering the joy of mediumship. Since class size is limited it is important to register early. Pre-payment is expected. A manual is included in the cost.

Annual Spring Psychic Tea – CFSC welcomes the spring with the **Annual Psychic Tea!** It is always a successful church *fundraiser* but is a wonderful *fun raiser* as well. Come and enjoy a delicious luncheon, good conversation with friends and the excellent mini-readings from the church mediums. There will be raffle prizes and baked goods for purchase.
